The Academic Attire

The custom of wearing a distinctive dress for academic ceremonies goes back to the Middle Ages, when long-sleeved, hooded gowns were necessary for warmth in the unheated stone colleges. Academic costume is at present worn in the United States by persons taking part in academic ceremonies in general, at commencement ceremonies, at baccalaureate services, and at various inauguration ceremonies.

- Gowns.** The bachelor's gown is a relatively simple kind falling in straight lines from a fairly elaborate yoke. Its distinguishing characteristic is the long pointed sleeves. The master's gown is similar, except for the sleeves. The doctor's gown is an elaborate costume marked by velvet panels down the front and around the neck as well as by three bars of the same material on the bell-shaped sleeves.
- Hoods.** The greatest degree of symbolism is shown by the hood. Bachelors here do not wear the hood. The hood has velvet edging which indicates the area of specialization. The inside of the hood is satin and indicates by its color the college or university which granted the degree. St. Cloud State University's colors are deep cardinal red and black.
- Caps.** The square "Oxford cap" or mortarboard of serge or broadcloth with a stiff crown is worn for most degrees. The tassel that hangs to the side is switched from the right to the left at the moment the degree is awarded.
- Tassels.** The color of the tassel indicates the degree: associate (blue), bachelor of arts (white), bachelor of elective studies (yellow gold), bachelor of fine arts (white), bachelor of fine arts and music (pink), bachelor of science (yellow gold), master of arts (white), master of business administration (brown), master of science (yellow gold), and specialist (blue).

Academic Distinction

Students who accomplish a high level of academic achievement, as reflected by their grade point average, receive distinction as follows.

Grade Point Average

3.25-3.49 Cum Laude

3.5-3.74 Magna Cum Laude

3.75 or higher Summa Cum Laude

NOTE: Since programs are prepared in advance of the receipt of all final grades, the listing of graduates and award recipients may, in some instances, be inaccurate. The fact of graduation and the receipt of honors are validated by the students' permanent records which are kept by the Office of Records and Registration.

Banners and Flags

The commencement ceremony as a whole affirms the value of learning to society, recognizes the cooperation of many people, on and off the campus, who have contributed to the learning enterprise and, above all, celebrates the effort and achievement (symbolized by diplomas, degrees and dress) of the graduates themselves.

University Seal. The university seal was created in 1957 by James Crane, a former instructor in the art department, and Robert Meyer, class of 1953. The seal was designed after the institution changed its name from St. Cloud State Teachers College to St. Cloud State College. The institution became St. Cloud State University in 1975.

Figures on the seal are evergreen trees, Stewart Hall, the Mississippi River, and the sun. The trees suggest our northern geographic location; Stewart Hall was the main building on campus at the time the seal was created; the river from which our campus extends represents permanence and change; and the sun symbolizes light, learning and knowledge. The four points on the border of the seal stand for all directions from which graduates go forth to serve the state, the nation, and the world.

Country Flags. The flags represent foreign countries which host St. Cloud State University study abroad programs—China, Costa Rica, Denmark, England, France, Germany, Japan and Spain. In addition, students from about forty countries study at St. Cloud State University. We especially welcome families of our international students who are attending commencement ceremonies today.

College Banners. The college banners are carried in by faculty marshals representing each of the five undergraduate colleges of the university. Merle Sykora, professor of art, designed the colorful banners depicting the College of Business (drab), College of Education (light blue, lemon, sage green), College of Fine Arts and Humanities (white, brown crimson, pink, silver gray, dark blue), College of Science and Technology (orange, golden yellow) and College of Social Sciences (citron, copper).

The Mace The mace originated as a staff or club used in the Middle Ages for breaking armor. It evolved into a ceremonial symbol of authority used in legislative bodies, universities, and other governmental units.

The university mace was created by David Landwehr out of the white cedar flag pole from Old Main which was built in 1875 and razed in 1948. The carved designs on the mace head which are decorated with gold leaf symbolize the five undergraduate colleges of the university and were created by Merle Sykora, professor of art.

AMERICA, THE BEAUTIFUL

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain

America! America!

God shed His grace on thee,
and crown thy good with brotherhood
From sea to shining sea.
